Social Sustainability and Place-Making in Cheasty Greenspace

How the Place-Making movement has helped create social capital and neighborhood abundance in Cheasty Greenspace.

A. Universal Properties of an Abundant Community:
   1. The Giving of Gifts
   2. The Presence of Association
   3. The Compassion of Hospitality

B. The Benefits of a Great Place: How these principles inform how we think of Cheasty Greenspace and our neighborhood.
